free mathNEWS

Here it is, the original proposal for the mathNEWS cover. Due to production night problems, this cover did not get in (!). We at F.D.P., however, have decided to publish this cover as a tribute to the graduating class of '84, and to the people who made campus life more than an academic experience. We do not mean this as a slight to those many who do not appear here.

Stewart Melanson, Editor

The free mathNEWS is published and financed by Free and Democratic Publications, and is independent of mathNEWS and MathSoc.
